SPEAKER BAACK: Record, Mr. Clerk.

CLERK:     25 ayes, 2 nays, Mr. President, on the advancement of LB 226.

SPEAKER BAACK: LB 226 advances. We will now do LB 226A.

CLERK: Mr. President, 226A by Senator Nelson. (Read title.)

SPEAKER BAACK: Senator Nelson. I will raise the call. Members, please stay close so we can just finish the day's business. We do have a special order bill coming up in a few minutes.

SENATOR NELSON: I will just make this very brief. There is no idea how many of these complaints would come into the Attorney General's Office, and the fiscal note right now does not have an amount on it. I am sure that the service fee will take care of whatever is necessary, but I just move for the advancement of LB 226A.

SPEAKER BAACK: Thank you, Senator Nelson. Is there any discussion on the advancement of LB 226A? Senator Bernard-Stevens.

SENATOR BERNARD-STEVENS: Senator Nelson, just a quick question. I guess I am looking on page 2 of the fiscal note, and I am looking at an estimated 54,982 such dollars out of General Fund. Would that be...on one end you are saying there is no estimate, but I am looking at a \$55,000 estimate. Is that...

SENATOR NELSON: The fees that they will charge should take care of that, and I guess that maybe I am going to have to say that that would have to go into the General Fund then, but the fees are not set and the Attorney General's Office would have to determine them so it equitably would take care of that amount of money. Thanks for asking, Senator Bernard-Stevens.

SENATOR BERNARD-STEVENS: Thank you, Senator.

SPEAKER BAACK: Any further discussion? Seeing none, we will vote on the advancement of LB 226A. All those in favor vote aye, opposed vote no. Record, Mr. Clerk.

CLERK: 25 ayes, 2 nays, Mr. President, on the advancement of
